

FCSCS Strategy Articulation Map

Vision

- Ethical and Professional Death Care Services

Mission

- To provide an environment where the public is informed and protected in a caring and trusting manner by educated professionals

Values

- We believe in
- Honesty
 - Integrity
 - Transparency
 - Accountability

Strategic Focus Areas / Strategic Objectives

• Communications

To effectively communicate Council's role and function to licensees and consumers

• Education

To improve and promote professional development and death care standards

• Legislation, Policies and Procedures

To collaborate and prepare for a single portal for the delivery of death care services

2016 - 2019 Priorities

- 100% of authorized decision makers are provided with the Council pamphlet
- Increase new licensees' awareness of Council
- Information explaining the role of funeral professionals and describing licensed death care services is readily available at no cost to the public

- Achieve symposium attendance at 50% of licensees annually
- Identify one of more alternatives to the Sask Polytecnic funeral service program by 2017

- To develop a collaborative process by mid-2017 to successfully accept administration of *The Cemeteries Act* by 2019
- By 2018 have a strategy and information to update *The Funeral and Cremation Service Act* to make it more current
