

## Licensed Funeral Director

Alternatives Funeral and Cremation Services® is seeking a Licensed Funeral Director or Licensed Funeral Director/Embalmer (minimum 1-3 years licensed preferred) to enhance our dynamic and dedicated team in the Regina and Southern Saskatchewan area. The successful candidate will demonstrate exceptional funeral directing and inter-personal skills, while being able to organize and manage their time in a fast paced day-to-day environment. As a career oriented funeral director, the successful candidate will have opportunities for advancement.

Alternatives® is a privately-owned and operated funeral home and are not part of a corporate chain. We offer our funeral directors excellent remuneration, an extended health benefits plan, cell phone, and clothing allowance.

This is a great opportunity if you are looking for a departure from a traditional funeral home setting. At Alternatives®, we meet each client family in their home or our funeral home – thereby allowing them to make the arrangements and decisions in their own familiar environment and where they are comfortable and unpressured. This also provides our funeral directors an “alternative” to being in a funeral home all day.

*To apply, please send your resume with a hand written cover letter to our private and confidential facsimile (306-757-2328) or by email at [regina@myalternatives.ca](mailto:regina@myalternatives.ca) and addressed to Kevin Almassy or Brent Metz, Managing Funeral Directors and Owners. All replies are held in the strictest of confidence.*
